Congratulations on your assignment to Vandenberg Air Force Base. Our Housing Management Office offers a complete and personalized referral service and is committed to finding suitable community housing for you and/or your family quickly and efficiently.

This handout provides pertinent information to assist you in your search for housing whether it is in our extravagant privatized housing, an apartment or house to rent in the local community or even to purchase while you are stationed here. First and foremost, you should know about the fantastic homes managed by Balfour Beatty Communities on base. These homes are top-notch and offer you the added convenience of a short commute to work. In addition, Balfour Beatty Communities offers numerous fun-filled family events for you and your family to enjoy. If you are interested in exploring the possibility of residing on base, I encourage you to complete an application and AF Form 4422 (Sex Offender Disclosure) or stop by the housing office for additional information. The application and form can be found at www.vandenbergfamilyhousing.com under the heading Forms & Guides. Or you can simply call Balfour Beatty Communities at 805-734-1445 or our office at 805-606-3434/1840 for more information.

If you'd like to explore other housing options as well, we recommend using the easily accessible website: www.AHRN.com. The Automated Housing Referral Network (AHRN) website is sponsored by the DoD and will provide you with valuable information on available community rentals to include condominiums, apartments, town houses, roommates or shared rentals, privatized housing, temporary lodging, and even military for sale by owner (FSBO) listings. All listings for Vandenberg on the site have been reviewed by our staff here in the housing office to ensure they are suitable for our military members. AHRN listings include lots of helpful information to assist you in your search such as property descriptions, pictures, maps, links to local schools, and contact information. If you need any help in accessing or navigating the website, please don't hesitate to give us a call and as always feel free to stop by our office when you arrive.

Our services also include in-depth counseling, arbitrating landlord/tenant complaints, and providing information about California laws concerning tenant/landlord responsibilities.

For your protection, we ask that all active duty military members report to the Housing Management Office before entering into a lease.

Once again, congratulations on your assignment to Vandenberg. We are confident you will love it here on the central coast! Please contact our office at DSN 276-1840/3434, commercial (805) 606-1840/3434 if you have any questions concerning community housing.

ON BASE HOUSING

On 1 November 2007, Vandenberg's Military Family Housing became privatized. Balfour Beatty Communities is the private developer that is responsible for your on-base housing needs.

If you are eligible and have not previously submitted an application for housing, please do so. RENTAL/SALES INFORMATION

1. Pursuant to AFI 32-6001 Chapter 7 Section 7.5, Counseling and Assistance: Members are advised to seek counseling from the Housing Management Office before negotiating a rental or lease agreement for off-base community housing.

2. The following information is presented as a general guideline to off-base housing in the Vandenberg area.

a. **LEASE AND RENTAL AGREEMENT:** Many of the housing facilities in this area have a month-to-month agreement. A lease or rental agreement is required, ranging from month-to-month to 12 months.

b. **DEPOSITS:** Cleaning or security deposits normally range from \$200 and up. Tenants normally pay their own utilities except water. Utility deposits vary according to rental area; however, the average electric deposit is \$50.00 to \$250.00 to have the utilities turned on. At least a 24-hour notice is required.

c. **PETS:** Most facilities in this area will not accept pets. The ones that do accept pets usually have restrictions as to type, number, size, etc. If a pet is allowed, an additional deposit of \$250.00 per pet and up is required, plus an additional monthly fee in some instances. You should

consider leaving your pet behind, if possible, until you have found suitable off-base housing. There are kennels available off- base. Prices range from \$10.00 per day and up. All owners must show proof of up-to-date shots: DISTEMPER, PARVO, RABIES, and BORDETELLA. Pets are allowed with the family in 10 (check this number I thought there was 14) of the rooms at Temporary Lodging Facility with an additional \$10.00 fee per day.

d. **MOTELS:** There are over 14 facilities listed in this guide. Most are very expensive. Some of these facilities offer reduced rates when you identify yourself as a military member at check in. All motels charge a bed tax.

e. **MOBILE HOME PARKS:** There are 20 mobile home parks in the Vandenberg area featuring very few rentals. Most parks are for adults only. The monthly rental for spaces is \$200.00 and up.

f. **HOMES FOR RENT/SALE:** Housing referral maintains numerous listings of properties for rent from \$800.00 & up. In addition to individual listings, there are over 30 real estate agencies/brokers listed in the guide. Newly built homes range from \$350,000 and up.

g. **CALIFORNIA LAW:** Requires a 30-day written notice of your intent to vacate a rental unit. The rent shall be payable for the entire 30-days notice.

3. RENTAL PARTNERSHIP PROGRAM: The Rental Partnership Program’s main purpose is to establish a relationship which is beneficial to DoD Personnel, the Property Manager (PM) and Owner, and the Vandenberg Housing Management Office. The rental benefits offered to DoD personnel associated with this program are intended to reduce out-of-pocket moving expenses and could include waiver or reduction of deposits, elimination of reference/credit checks, or no application fees. The following Property Managers/Owners names are participants in the program who are offering DoD personnel special benefits; in exchange, DoD personnel would agree to sign a 12- month lease and pay rental fees via an allotment. Rent allotments will be initiated by the member through Finance using a bank/routing number provided to member by the Property Manager/Owner. Participants and benefits are subject to change.

PURCHASING OR RENTING

1. Whenever you relocate, the question of buying or renting can be very difficult. Your lifestyle and financial situation need to be taken into consideration when you are trying to make this decision. You need to look at both your needs and resources objectively. Consider the following:

- a. If you have accrued equity in a previous home or have adequate down payment funds and you are going to be here for a relatively long time, or, if you have a family, you may want to consider buying a home. Buying has tax advantages. The interest you pay is usually deductible on your tax return. Home ownership is a good way to build equity for your next move if you buy smart.
- b. Since you cannot be sure when you will receive PCS orders, think of the resale value when you buy. Buy a home that suits your lifestyle, fits your budget, and appeals to the greatest number of buyers.
- c. Do not purchase the most expensive home in a neighborhood or the cheapest. Try to avoid subdivisions with homes at extreme ends of the price market. Most buyers prefer a neighborhood with homes in the general price range.
- d. Remember if you buy a new home from a contractor who is still building and selling homes in the neighborhood, you will have to compete with them when you are ready to sell. Also, be leery of contractors who incorporate excessive financing concessions into the purchase price.

2. If you do decide to purchase, inquire about the different types of mortgages (VA, FHA, Conventional, Part 235, etc.) and contact loan departments from various lending institutions to determine the best deal for you. Check your budget to determine what you can comfortably afford for your monthly mortgage payments. Remember, living expenses also include yard maintenance equipment, electricity, water, telephone, cable, etc. Try not to be tempted to stretch your budget for the perfect home.

3. Beware of bargains! Some homes may have lots of character, but when it comes to reselling there may not be many people willing to buy that type of home. A home that needs repair and is being sold "as is" can be a risky business if you don't have time to make the repairs. Most people are not willing to buy a home that needs extensive repairs.

4. If you are single, you may have a lifestyle that is quite different from families. Therefore, an apartment or town house may offer more opportunities to meet neighbors in similar situations. This type of environment can produce a feeling of belonging for someone without the support of a family. Renting might be the best alternative if you are single.

5. With the right information, you can become an informed consumer in the housing market. Remember to assess the different mortgage programs, check out available housing (rentals and sales), and identify your lifestyle. The success of your move is directly related to the wise decisions that you make in advance.

FINDING THE RIGHT PLACE TO LIVE

Whether you decide to rent or purchase, the following suggestions should help to make your task of locating acceptable housing around Vandenberg easier:

Determine what location and price range you desire. Talk to friends and people already living in the community. We can provide newspaper ads, rental information, detailed sales/rental listings, real estate broker listings, and listings of professional apartment locators, apartment complex directories, maps, brochures, and information about the local community, the base, and much more.

Decide in advance what special features you are looking for. Would you like to live in a house or an apartment complex? If an apartment complex, do you want one with tennis courts, swimming pools, saunas, game rooms, or other amenities? If a house, do you wish a modern, brick, frame, large lot, large rooms, lots of windows, near a park or a bus route, etc?

When you visit a potential place to rent, your first impression should be a clean, well-maintained facility, and should evoke a feeling of a pleasant place to live. Check for any Health & Safety Hazards, if any, notify the landlord immediately. However, do not rely solely on first impressions or appearances.

Talk to people who may be your neighbors. If you decide on an apartment complex, ask them if they have had a satisfactory relationship with the landlord. Ask about recent rent increases or monthly utility increases.

Before making a commitment, think it over a day or two. Make sure you understand your rental agreement prior to signing it. If you have any questions, the housing staff will be glad to explain your lease. Determine how much advance notice you will have to give prior to terminating. Remember a written 30-day notice is the Law in CA. Is the deposit refundable, are there any hidden costs, do you have to clean up the place before you leave?

Before moving in, go through the unit with the landlord and note the condition of every item, walls, ceilings, floors, blinds etc. The housing office can provide a checklist of the unit condition record to help you accomplish this task. If you have a question about landlord-tenant relations, contact the Housing Management Office at (805) 606-3434/1840.

MILITARY CLAUSE

Every military tenant should insist that a “**military clause**” be included in the lease. The **clause generally states that, subject to the payment of a specified amount, the tenant** can terminate the lease. It provides the military tenant a way to end a lease prematurely for reasons connected with military services.

There is no standard military clause. The wording is a matter for negotiation between you and your prospective landlord. Your Legal Assistant Officer can help you before you sign the lease. The following is a sample of one military clause recommended for use.

LEASE ADDENDUM

In general, under Section 535 of the Service Member Civil Relief Act, a military member has the right to terminate a lease if;

- 1) After signing the lease, the tenant enters military service (which includes a reservist being called to active duty).
- 2) The tenant signs the lease while in military service, and then receives military orders for a PCS move.
- 3) The military member receives orders to deploy, or as an individual in support of a military operation, with a military unit for a period of not less than 90 days.
- 4) The member is discharged or relieved from active duty with the Armed Forces.
- 5) The military member has been “commander-ordered/directed move” to on-base housing as directed by the installation commander.

In some cases, renters invoking the military clause must pay 30 days rent if the notice to vacate given to the landlord is less than 30 days. If the lease does not include a military clause as an element of a standard lease, you may add it as a separate lease addendum. It is encouraged that the tenant and the landlord sign some type of military clause.

STANDARDS OF CONDUCT

1. Military personnel and their dependents, while occupying off base community housing, will abide by all local laws and ordinances and the provisions of leasing agreements which are binding contracts. They will extend the same respect toward local citizens and their property as is required while living on base. 2. The following reminders should be helpful in maintaining good tenant/landlord relationships thereby contributing to the continued enhancement of the image of military personnel and their families:

- a. Payment of rent and other fees by due date.
- b. Conservation of utilities.
- c. Maintenance of the interior of dwellings in a high state of cleanliness.
- d. Control of children and pets.
- e. Avoidance of damage to private property, but when damage does occur, make necessary repairs or pay assessments promptly.
- f. Learn and abide by all house rules, particularly in multiple dwelling units.
- g. Notify the owner or manager promptly of needed repairs.
- h. Avoid disturbance of your neighbors by late evening noises.
 - i. Read and come to an understanding of all the terms of the leasing agreement, and abide by them.
- j. Give 30-day written notice to vacate occupancy IAW California law.

- l. Housing Management Office personnel can be called for final termination inspection of your apartment. We will inspect at the time the landlord/owner/agent inspects your apartment.
- m. Legal assistance is available from Base Staff Judge Advocates. Assistance should be requested to ensure leases and other related papers are correct.
