

# Team V's Annual

**T**eam Vandenberg recognizes its best and brightest during the annual awards banquet Tuesday evening at the club. The selection boards have met and tallied their results. Now, it's time to wait and see which nominees are picked as the standard bearers for the whole-person concept. This year's nominees are:

## Airmen

Airman 1<sup>st</sup> Class **Timothy Bele** is assigned to the 30<sup>th</sup> Transportation Squadron. As a general purpose vehicle maintenance apprentice, he performs scheduled maintenance on assigned vehicles and equipment.

Senior Airman **Amy Blount** is assigned to the 2<sup>nd</sup> Space Launch Squadron. As an information management apprentice, she reviews and processes performance reports, awards and decorations and supports the unit commander and his staff. She has one child.

Senior Airman **Richard Bugbee** is assigned to the 30<sup>th</sup> Operations Support Squadron. As a commander support staff representative, he reviews and processes performance reports, awards and decorations and he supports the commander and his staff. He and his wife Janell have one child.

Airman 1<sup>st</sup> Class **Corey Bullard** is assigned to the 30<sup>th</sup> Communications Squadron. As a visual information production journeyman, he documents all space and ballistic missile programs for the Western Range on video. He and his wife Jonelle have two children.

Senior Airman **Johanna Chica-Fincher** is assigned to the 533<sup>rd</sup> Training Squadron. As a communications and information manager, she provides administrative and computer support for the commander support staff. She is married to Staff Sgt. Brett Fincher, also of the 533<sup>rd</sup> TRS.

Airman 1<sup>st</sup> Class **David Choy** is assigned to the 534<sup>th</sup> Training Squadron. As a computer support technician, he manages the Local Area Network, a Crew Training Emulator and supports more than 560 computer systems and peripherals.

Senior Airman **Rachel Gardemal** is assigned to the 30<sup>th</sup> Medical Group. As a medical laboratory journeyman, she collects and processes clinical specimens in chemistry, hematology, urinalysis, blood banking and serves as the airman in charge of coagulation and transfusion medicine.

Senior Airman **Timothy Kosmala** is assigned to the 576<sup>th</sup> Flight Test Squadron. As an instrumentation instructor and team chief, he plans and implements job qualification training and performs maintenance on the instrumented Mod 7 wafer, used for performance data collection, flight tracking and command destruct for ICBM test launches.

Senior Airman **Jennifer Kottke** is assigned to the 30<sup>th</sup> Services Squadron. As a services journeyman, she manages a \$3.1-million, full-flood service contract

providing quality food and nutritional awareness. She is married to Staff Sgt. Andrew Kottke of the 30<sup>th</sup> Security Forces Squadron. They have two children.

Airman 1<sup>st</sup> Class **Mark Laurico** is assigned to the 30<sup>th</sup> Medical Group. As a medical technician, he is responsible for the health assessment and records management of the primary care treatment flight's patients.

Senior Airman **Matthew Mitchell** is assigned to the 30<sup>th</sup> Weather Squadron. As a weather journeyman, he collects and disseminates weather data in support of Western Range operations.

Senior Airman **Michael Provencio** is assigned to the 30<sup>th</sup> Civil Engineer Squadron. As a fire fighter apprentice at Fire Station No. 5, he is the lead fire fighter for the primary response station of more than 300 buildings, to include four space launch complexes on South Vandenberg.

Senior Airman **Tamra Quintana** is assigned to the 30<sup>th</sup> Mission Support Squadron. As a retirement and separations journeyman, she processes all paperwork for active-duty members seeking separation or retirement from the Air Force.

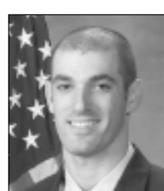

Airman **Carl Robinson Jr.** is assigned to the 30<sup>th</sup> Range Squadron. As an aeronautical operations control officer, he monitors activity for aircraft test flights along the West Coast Offshore Operating Area.

Senior Airman **Jason Rowe** is assigned to the 30<sup>th</sup> Security Forces Squadron. As a quality control evaluator, he conducts job proficiency evaluations for more than 300 unit personnel annually and is a member of the Wing Exercise Evaluation Team. He and his wife Inice have one child.

Senior Airman **Desmond Savage** is assigned to the 614<sup>th</sup> Space Operations Squadron. As an intelligence applications analyst, he provides space-related intelligence to Commander, U.S. Space Air Forces and conducts intelligence preparation for the 14<sup>th</sup> AF. He and his wife Brooke have one child.

Senior Airman **Michael Spear** is assigned to the 30<sup>th</sup> Aeromedical-Dental Squadron. As a bioenvironmental engineering journeyman, he conducts environmental quality, water quality, radiation protection and special surveys.

Staff Sgt. **Tamlyn Starley** is assigned to the 30<sup>th</sup> Medical Group. As the NCO in charge of floor operations in the clinical laboratory, she is responsible for collection and processing of specimens in chemistry, hematology, urinalysis and blood banking.

Airman 1<sup>st</sup> Class **Ryan Wells** is assigned to the 392<sup>nd</sup> Training Squadron. As a commander's support staff personnel manager, he manages the leave management, Duty Status Reporting programs. He manages the records for more than 100 staff and nearly 1,000 students each year.

Senior Airman **Kevin Williams** is assigned to the 381<sup>st</sup> Training Support Squadron. As a courseware programmer, he designs courseware and programs and develops new technology and deployment solutions. He is married to Adele.

## NCOs

Tech. Sgt. **Keith Blades** is assigned to the 76<sup>th</sup> Helicopter Flight. As a helicopter craftsman, he ensures quality maintenance is performed on the five assigned UH-1N helicopters. He and his wife Patricia have two children.

Master Sgt. **Amber Boerner** is assigned to the 30<sup>th</sup> Mission Support Squadron. As the NCOIC of career enhancements, she processes and monitors all officer and enlisted promotion actions and Below-the-Zone boards. She is married to Tech. Sgt. James Boerner of the 30<sup>th</sup> CES.

Staff Sgt. **Clarence Christianson** is assigned to the 30<sup>th</sup> Operations Support Squadron. As an air traffic control tower watch supervisor, he ensures the tower provides safe and expeditious air traffic control services to aircraft within the tower's jurisdiction. He and his wife Jonell have two children.

Staff Sgt. **Corine Collie** is assigned to the 30<sup>th</sup> Comptroller Squadron. She is the NCOIC of the quality examinations section. She is married to Staff Sgt. Richard Collie of the 30<sup>th</sup> CES. They have one child.

Master Sgt. **John Corwin** is assigned to the 30<sup>th</sup> Range Squadron. As the NCOIC of the training flight, he directs the Aerospace and Aeronautical Operations Control Officer training programs and conducts safety area clearance during launches. He and his wife Barbara have two children.

Tech. Sgt. **Terry Evans** is assigned to the 392<sup>nd</sup> TRS. As the NCOIC, Intercontinental Ballistic Missile Emergency War Order Training Section, he manages the yearly preparation of 85,000 pages of training material for 500 missile students and staff. He and his wife Anna have two children.

Staff Sgt. **Jared Ey** is assigned to the 30<sup>th</sup> Weather Squadron. As a weather forecaster, he provides forecast products and services in support of Western Range operations. He is married to Rachel.

Staff Sgt. **Ryan Fictum** is assigned to the 30<sup>th</sup> Aeromedical-Dental Squadron. As the NCOIC of the bioenvironmental engineering flight, he is the command's core functional user group representative and manages the

upgrade training of two assigned airmen.

Tech. Sgt. **William Figgins** is assigned to the 614<sup>th</sup> Space Operations Squadron. As a member of the aerospace weather team, he provides aerospace weather reports and products safeguarding multiple worldwide units and space assets. He and his wife Cathy have one child.

Staff Sgt. **Richard Freeland** is assigned to the 30<sup>th</sup> Communications Squadron. As a still photographic journeyman, he supervises scheduling of photographers for launch operations and critical technical documentation for worldwide photographic support to the Department of Defense, Air Force, AFSPC and other agencies.

Tech. Sgt. **Kristie Hall** is assigned to the 381<sup>st</sup> Training Support Squadron. As an information manager for the resources flight, she certifies and accredits all 381<sup>st</sup> TRG computers and trains all group members on information assurance awareness. She and her husband Donnie have two children.

Tech. Sgt. **James Harvey** is assigned to the 14<sup>th</sup> Information Warfare Flight. As the NCOIC of the offensive counterinformation branch, he provides tailored intelligence to the Commander, 14<sup>th</sup> Air Force Special Technical Operations for use in crisis action and deliberate planning. He and his wife Maria have three children.

Tech. Sgt. **Richard Hazen** is assigned to the 532<sup>nd</sup> Training Squadron. As the instructor supervisor for the Missile and Space Systems Electronic Maintenance Apprentice Course, he oversees the training of new cruise missile technicians with the use of Mission Ready Airman principles. He and his wife Dawn have one child.

Tech. Sgt. **Michael Jelmo** is assigned to the 14<sup>th</sup> AF. As the numbered air force security forces readiness manager, he assesses and resolves the worldwide readiness issues of 1,200 security forces personnel and supports warfighting CINCs. He and his wife Shirley have two children.

Staff Sgt. **Andrew Leonhard** is assigned to the 30<sup>th</sup> Space Wing Public Affairs Office. As editor of the "Space & Missile Times," he writes news, sports, and feature articles and is responsible for editing, layout and design of the weekly publication. He is married to Julie.

Staff Sgt. **Hollie Livesay** is assigned to the 534<sup>th</sup> TRS. As a satellite operations lead instructor, she manages the 53-day 1 SOPS Global Positioning System initial qualification training course, supervises three instructors and classroom/emulator instructor. She is married and has three children.

Staff Sgt. **Aaron Mayer** is assigned to the 576<sup>th</sup> Flight Test Squadron. As an electro mechanical trainer and team chief, he manages initial and recurring technical qualification training requirements for electro-mechanical technicians in support of Minuteman III and Peacekeeper Force Development Evaluation test launches.

Tech. Sgt. **Samuel Sato** is assigned to the 9<sup>th</sup> SOPS. As an intelligence situation analyst, he consolidates intelligence from flight elements to form a coherent, all-source intelligence picture and monitors intelligence information systems to provide near real time support to current operations. He is married to Teresa.

Tech. Sgt. **Kevin Schnicker** is assigned to the 2<sup>nd</sup> Space Launch Squadron. As a satellite maintenance controller, he is responsible for the successful generation and launch of payloads on the Titan II, Titan IV and Atlas IAS rockets. He and his wife Sonya have two children.

Staff Sgt. **William Session** is assigned to the 30<sup>th</sup> Civil Engineer Squadron. As a fire protection station chief, he is responsible for more than \$900K worth of equipment and coordinates work schedules for nine people. He is married to Brandie.

Staff Sgt. **Norman Sibley** is assigned to Det. 9, Space and Missile Systems Center. As a facility integration craftsman, he is responsible for program/facility integration for nine facilities that support the National Missile Defense Program. He and his wife Rosanna have three children.

Staff Sgt. **Kim Sharpe** is assigned to the 30<sup>th</sup> Transportation Squadron. She is the NCOIC of material control for the vehicle maintenance flight. She is the mother of two and the legal guardian of her niece.

Staff Sgt. **Erik Skrudland** is assigned to the 30<sup>th</sup> Security Forces Squadron. As the assistant NCOIC of the combat arms training and maintenance section, he conducts and supervises small arms training for more than 3,500 personnel per year and maintains more than 2,800 weapons per year. He and his wife Shannon have three children.

Tech. Sgt. **Joseph Stratil** is assigned to the 533<sup>rd</sup> Training Squadron. As an instructor supervisor, he teaches the Space-Based Infrared Systems Mission Operations Course. He and his wife have two children.

## Senior NCOs

Master Sgt. **Rocky Belmontes** is assigned to the 30<sup>th</sup> Range Squadron. As the NCOIC of range operations training, he manages the training for the 44-person Space Wing crew force. He is also responsible for 250 square miles of land, air and sea clearance for launch operations. He and his wife Colleen have two children.

Master Sgt. **Michael Bilicki** is assigned to the 30<sup>th</sup> Security Forces Squadron. As a flight chief, he manages, supervises, trains and employs 80 people to enforce the law and provide security over more than 99,000 acres for Team Vandenberg's more than 16,000 military, dependent and civilian team members. He and his wife Aurora have two children.

# Award Nominees

Master Sgt. **Benjamin Caro Jr.** is assigned to the 533<sup>rd</sup> Training Squadron. As the operations superintendent and additional-duty first sergeant, he counsels, provides leadership, and moral support to 68 people. He is married and has two children.

Master Sgt. **Richard Czup** is assigned to the 30<sup>th</sup> Operations Support Squadron. As the air traffic control tower chief controller, he provides overall management of control tower operations. He and his wife Lisa have two children.

Master Sgt. **Dwight Daniel** is assigned to the 30<sup>th</sup> Civil Engineer Squadron. As the chief of resources and requirements, he supervises the activities of nine zone controllers and material acquisition people, and civilian and military structural craftsmen.

Master Sgt. **Shawn Dahl** is assigned to the 614<sup>th</sup> SOPS. As the operations superintendent of the aerospace weather team, he supervises four people and provides aerospace weather reports and products to safeguard 14<sup>th</sup> AF units worldwide and space assets. He is married and has two children.

Master Sgt. **Richard Eckert** is assigned to the 532<sup>nd</sup> Training Squadron. As the squadron training manager, he oversees the training of students and technicians in all 2M0 career fields. He and his wife Cheryl have two children.

Master Sgt. **Tyler Foster** is assigned to the 30<sup>th</sup> Space Wing Public Affairs Office. As the chief of internal information and the superintendent, he is responsible for producing the 30<sup>th</sup> SW commander's triad of internal information tools. He and his wife Janet have two children.

Master Sgt. **Maxwell Grindstaff** is assigned to the 381<sup>st</sup> Training Support Squadron. As the superintendent, he advises the unit commander on matters affecting the enlisted force and maintaining the day-to-day operations of the squadron. He and his wife Millie have three children.

Master Sgt. **Stephen LeBrun** is assigned to the 30<sup>th</sup> Weather Squadron. As the chief of weather station operations, he provides forecast products and services in support of Western Range operations. He is married to Laura.

Master Sgt. **Ralph Lewis** is assigned to the 576<sup>th</sup> Flight Test Squadron. As the superintendent of the support flight, he is responsible for 61 technicians who test, inspect, troubleshoot and repair launch facilities and support equipment. He and his wife Pat have one child.

Master Sgt. **Mark Long** is assigned to the 30<sup>th</sup> Mission Support Squadron. As the superintendent of the military personnel flight's customer support section, he provides leadership and management of promotions, re-enlistments, evaluations and customer service programs. He and his wife Wendy have three children.

Master Sgt. **Kenneth Lucia** is assigned to the 392<sup>nd</sup> TRS. As the superintendent and chief of the commander's support staff, he manages more than 20 personnel programs and is the AETC 3S0XX functional manager for five squadrons. He and his wife Damaris have one child.

Master Sgt. **Paul McGinnis** is assigned to the 30<sup>th</sup> Transportation Squadron. As the vehicle maintenance manager, he is responsible for the maintenance and inspection of Vandenberg's entire vehicle fleet. He and his wife Mitzi have one child.

Master Sgt. **Samie McPherson Jr.** is assigned to the 576<sup>th</sup> Flight Test Squadron. He is the chief of logistic evaluations for the Minuteman Minimum Essential Emergency Communication Network Program for Air Force Operational Test and Evaluation Center. He and his wife Kimberly have five children.

Master Sgt. **Michael Munnis** is assigned to the 14<sup>th</sup> Information Warfare Flight. As the NCOIC of the information in warfare branch, he coordinates offensive and defensive counter-information intelligence support for the 14<sup>th</sup> AF commander. He and his wife Angela have three children.

Master Sgt. **Edward Palacios** is assigned to Det. 9, SMC. As the NCOIC of the launch integration and operations branch, he manages numerous aspects of the vital multi-million dollar National Missile Defense program. He and his wife Sharon have two children.

Master Sgt. **Sean Reilly** is assigned to the 14<sup>th</sup> AF. As the spacelift program manager, he advises the 14<sup>th</sup> AF commander on spacelift issues, manages the \$28 billion Current Launch Schedule Review Board process and tracks all launches on the Eastern and Western Ranges. He and his wife Susie have two children.

Master Sgt. **Ben Rosen** is assigned to the 2<sup>nd</sup> Space Launch Squadron. As the NCOIC of the facilities section, he is responsible for maintaining the readiness of 86 launch facilities and serves as the facility operations controller for all Titan launches. He is married to Catherine.

Master Sgt. **Gerd Scheller** is assigned to the 534<sup>th</sup> Training Squadron. He is the instructor supervisor for the Global Positioning System Satellite Systems Operator Course. He and his wife Lisa have three children.

Master Sgt. **Frederick Smith** is assigned to the 30<sup>th</sup> Space Wing History Office. As an aerospace historian, he obtains and analyzes information to write a fully cited annual account of the wing's significant events.

Master Sgt. **David Steele** is assigned to the 30<sup>th</sup> Communications Squadron. As the superintendent of motion media, he coordinates, schedules and assigns video-production

activities for all launch programs supported by the Western Range. He is married to Tech. Sgt. Julie Steele of the 30<sup>th</sup> SFS. They have six children.

## 1<sup>st</sup> Shirts

Master Sgt. **Roy Blanco** is assigned to the 30<sup>th</sup> Operations Group. As the first sergeant, he is responsible for the health, morale and welfare of 280 people in six units, comprising one of the most diverse groups in the Air Force. He and his wife Susan have four children.

Master Sgt. **Cindy Hasty** is assigned to the 614<sup>th</sup> SOPS. As the first sergeant, she is the principal adviser to the commander on matters affecting the health, morale, welfare and discipline of 170 enlisted members, including people assigned to four separate operating locations around the world.

Master Sgt. **June Phillips** is assigned to the 30<sup>th</sup> CS. As the first sergeant, she provides leadership and guidance to the unit commander on all matters affecting the health, morale and welfare of a squadron comprised of more than 1,000 military, civilian and contractor employees.

Master Sgt. **Mark Reed** is assigned to the 30<sup>th</sup> Civil Engineer Squadron. As the first sergeant, he advises the commander on discipline, standards, enlisted programs and squadrons' family needs, ensuring quality-of-life issues are addressed. He and his wife Miae have two children.

## Officers

Capt. **Christopher Alexander** is assigned to the 576<sup>th</sup> Flight Test Squadron. As the commander of the largest maintenance flight in the squadron, he is responsible for maintenance on launch facilities and missile alert facilities in support of the ICBM Force Development Evaluation program.

Capt. **Joseph Conti** is assigned to the 576<sup>th</sup> FLTS and works in the operations launch section. He is currently attending Squadron Officer School at Maxwell AFB, Ala. His is married to Stacey Ann.

First Lt. **Jason Glynn** is assigned to the 30<sup>th</sup> Civil Engineer Squadron. As the readiness flight commander, he manages the Wing Disaster Preparedness program, the Nuclear, Biological, and Chemical Warfare Defense Training program and is a lead Disaster Control Group member.

First Lt. **Jason Helle** is assigned to Det. 9, Space and Missile Systems Center. As the launch readiness manager for Titan II and Titan IV missions, he is responsible for the development and execution of the flightworthiness certification process for the SMC commander. He and his wife Kathryn have three children.

Capt. **Karla Heren** is assigned to the 14<sup>th</sup> Air Force. As the chief of personnel, she advises the 14<sup>th</sup> AF commander and staff on numbered air force and subordinate unit personnel issues. She is married to 2<sup>nd</sup> Lt. Henry Heren of the 2<sup>nd</sup> SLS.

Capt. **Michelle Holland** is assigned to the 2<sup>nd</sup> SLS. As the mission support flight commander on the Titan II, IVB and Atlas IIAS space launch vehicles, she is responsible for the launch support facility infrastructure. She is married to Capt. William Holland of the 392<sup>nd</sup> Training Squadron. They have one daughter.

Capt. **Jason Kent** is assigned to the 2<sup>nd</sup> SLS. He serves as the chief of booster and facility engineering and as booster operations controller for the Titan II and Titan IVB spacelift boosters. He and his wife Melissa Ann have two children.

Second Lt. **Karalyn Lowery** is assigned to the 30<sup>th</sup> Mission Support Squadron. As the chief of employments and relocations, she is responsible for overseeing the base PRP process, duty title change, separation and retirement actions. She and her husband Rob have one child.

Capt. **Theresa Malasavage** is assigned to the 392<sup>nd</sup> Training Squadron. As the ICBM Emergency War Order senior instructor, she supervises, trains, and certifies 15 officer instructors on classified classroom presentations and lesson development. She is married to Capt. Tracy Patton of the 576<sup>th</sup> FLTS. They have one child.

Capt. **Brenda Morgan** is assigned to the 30<sup>th</sup> Medical Group. A Registered Nurse, she is the chief of health care integration. As such, she oversees implementation of Population Health initiatives to include Putting Prevention Into Practice. She has one child.

Capt. **Geno Rapone** is assigned to the 576<sup>th</sup> FLTS. As an ICBM Test Operations Officer, he conducts the Joint Chiefs of Staff-directed, ICBM Force Development Evaluation test program and executes space command's operational tests. He is engaged to 2<sup>nd</sup> Lt. Tanya Dutton of the 576<sup>th</sup> Flight Test Squadron.

Capt. **Samantha Ray** is assigned to the 614<sup>th</sup> Space Operations Squadron. As the squadron support officer, she manages the 14<sup>th</sup> Air Force's Aerospace Operations Center C4I infrastructure. She is married to Capt. Tommy Ray of the 392<sup>nd</sup> Training Squadron. They have three children.

Capt. **Tommy Ray** is assigned to the 392<sup>nd</sup> Training Squadron. As the Satellite Element Command and Control/ Warning Element Chief, he trains more than 350 officers each year in space fundamentals. He is married to Capt. Samantha Ray of the 614<sup>th</sup> SOPS. They have three children.

Capt. **Paul Tombarge** is assigned to the 614<sup>th</sup> SOPS. As the special technical operations flight commander, he ensures the combat readiness of 24 personnel supporting COMSPACEAF, USCINCSpace and other global operations. He and his wife Christine have one daughter.

Capt. **Steven Tuggle** is assigned to the 30<sup>th</sup> Transportation Squadron. As the vehicle operations flight commander, he coordinated

GSA conversion efforts for the 934-vehicle fleet and met all transportation requests for Guardian Challenge 2000. He is married to Yvonne.

Capt. **Timothy Zacharias** is assigned to the 30<sup>th</sup> Space Wing Safety Office. As the wing's chief of flight safety, he monitors all operations effecting flight safety on the base and manages mishap prevention programs to protect assets using the Western Test Range and Vandenberg AFB's airspace. He and his wife Alethia have three children.

## Honor Guard

Tech. Sgt. **Marcia Scantlebury-Hall** is assigned to the 30<sup>th</sup> Medical Group. As the NCOIC of the commander's support staff, she manages a staff of two military and one civilian. She also serves as a flight chief for the Vandenberg Air Force Base Honor Guard team. She is married to Master Sgt. Jeffrey Hall of the 576<sup>th</sup> FLTS.

Staff Sergeant **Paula Funderburk** is assigned to the 30<sup>th</sup> Comptroller Squadron. As a financial management journeyman, she is responsible for providing prompt and accurate customer service for more than 4,000 customers concerning military pay and travel entitlements. She is an active member of the Vandenberg Air Force Base Honor Guard team.
